

Falkirk District Adult Learning Newsletter March 2023

Welcome to the Falkirk District Adult Learning newsletter. I have recently taken over the ADC(AT) role from Hamish and Fiona. I hope to continue building the Adult training provision which they were instrumental in developing. A big thank you to Hamish and Fiona

Learning Opportunities

Current learning opportunities can be found on the Forth Region website:

<https://www.frscouts.org.uk/AboutUs/WhatsOn>

I am in the process of identifying what Leader modules are required and once this work is completed I will be arranging a mix of face to face and virtual training events

Hampshire First Response with e-learning

The Hampshire course comprises of the following parts:

- E-learning (2.5 hours) which teaches all the relevant information including videos, fact sheets and quizzes. On completion of the course, you will be required to complete a form which I will be able to access before attendance at the Zoom confirmation of learning session

Then:

- Zoom session (2.5 hours) this comprises different activities to validate the learning including a multiple-choice quiz & extension questions, scenarios, break out discussions & walking debate. This ensures that the learning is assessed via a trainer led session. This session can also be delivered face to face using the same training materials and will include Module 10B
- Module 10B Practical session (15-30 mins) to complete the practical skills (Assessment of unconscious casualty, CPR Adult & CPR Child - compression only)

Further information can be found using the following link:

<https://hampshire-scouts.thinkific.com/courses/firstresponse>

External First Aid training and First Response online conversion course

Completed a first aid certificate outside of Scouting? The full First Response syllabus and course requirements can be found on [The Scout Association website](https://www.scouts.org.uk).

If the course does not cover an element of the syllabus this can be rectified by completing one of the short e-learning modules (provided by Hampshire Scouts). This will cover the remaining topics needed for First Response:

- [Emergency First Aid at Work](#) (1 day)
- [First Aid at Work](#) (2 or 3 day)
- [Child First Aid courses](#)

First Response is validated in Compass as two modules: Module 10A (Theory) and Module 10B (Practical). Both modules must be validated to gain the full First Response certificate. Further information can be found at: [new guidance to help you record and report first aid training](#).

Manager & Supporter Opportunities

The next course for Skills of Management will be held in the Westhill Scout Hall, Aberdeen, AB32 6RL on the weekend of 13-14 May 23. Further details can be found at: <https://www.scouts.scot/news-events/events/skills-of-management-aberdeen/>

The next course for Achieving Growth will be held on 20 May 23. The course will be delivered via Zoom. Further details can be found at: <https://www.scouts.scot/news-events/events/achieving-growth-online/>

Transformation Project

I am sure you will have heard of the Scouts UK-wide Transformation project and the possible changes which will be made to the training requirements and the way training will be completed in the future. Relevant information will be sent out once known.

In the meantime everyone is to be encouraged to complete the requirements for the Wood Badge appropriate for their role(s).

If you only require validation collect your evidence and check out the Leaders Training guide which can be found at: https://www.scouts.scot/media/1761/training_leaders-training-guide.pdf

or the Manager and Supporter Training Guide which can be found at:

<https://www.scouts.scot/media/2376/manager-plus-supporters-training-guide.pdf>

if you have any training and/or validation questions please contact your Training Adviser or if they are not available contact myself at: Training@falkirkscouts.org.uk
